

Center Stage Performing

Company Try Outs

April 16, 2016

Mrs. Natalie is putting together competition teams for the 2016-2017 Dance Season! The Center Stage Performing Company (CSPC) will be traveling to various competitions throughout the dance season (competition schedule to be provided).

There will be up to five teams (depending on how many audition). Two mini teams will be selected, two junior teams, and one senior team. Up to ten students will be selected for each team.

Mini team tryouts will be from 10:00 a.m. - 12:00 p.m. These teams are for ages 5-8.

Junior team tryouts will be from 1:00 - 3:00 p.m. These teams are for ages 9-12.

Senior team tryouts will be from 4:00 - 6:00 p.m. This team is for ages 13-17.

Up to four soloists will also be selected.

We are so excited to see you at try-outs! Fill out the attached form and bring it with you at the time of your audition!

****No prior experience is required to audition for the CSPC!**

****Parents should drop their child off 10 minutes before their tryout time. Parents are welcome to stay and watch through the window, or they may leave and come pick their child up at the end up auditions.**

What to expect if chosen to be a part of the CSPC.

All teams will be required to attend boot camp during the summer. Boot camp schedules will be included on the summer schedule.

Throughout the regular dance season, the CSPC will be its own class and has its own practice slots in the regular schedule.

The CSPC will only be doing jazz and lyrical. If you would like your child to also participate in tap or Pointe (ages 12 and up) then you will need to enroll them in those classes with their age group.

The teams will practice for two hours each week. Soloists will also be required to practice their solo for one hour each week. Solo private schedules will be provided later on.

Each CSPC member will also be required to purchase a company jacket to wear at competitions (price TBA- will probably be around \$55). They will also have to pay competition fees which will vary depending on the competition. In addition, they will also have to purchase their costumes for competitions. Each team will have two costumes.

Dancers should come to class dressed in dance clothes (leotards, tights, skirts, shorts, leggings, sports bras, fitted dance shirts, etc). No street clothes should be worn (baggy shirts and pants, jeans, etc). Their hair should also be pulled back away from their face.

This will be a time commitment. I want the dancers to be the best they can be so that they will feel confident when they step out onto the competition stage.

If you have any questions feel free to contact me.
